POSTAL REGULATORY COMMISSION
WASHINGTON, D.C. 20268-0001

In the Matter of:

Lake Creek Post Office
Lake Creek, Texas

Docket No. A2011-52

UNITED STATES POSTAL SERVICE NOTICE OF FILING (ERRATUM)
(November 1, 2011)

The Postal Service hereby gives notice of filing of the corrected copy of the round-date stamped Final Determination to Close the Lake Creek, Texas Post Office and Establish Service by Rural Route Service posted at the Cooper Post Office. Due to an oversight, the round-date stamped Final Determination that was posted at the Cooper Post Office was inadvertently omitted from the electronic copy of the administrative record filed on August 30, 2011. The omitted document filed in conjunction with this notice supplements the record documents previously filed. While the Postal Service regrets the unintentional omission of the aforementioned document, the agency submits that the filing of the supplemental document will not prejudice any party in this proceeding. Information found in the previously omitted document is identical to that found in Item 45, the round-date stamped Final Determination that was posted at the Lake Creek Post Office. Furthermore, information found in the omitted document is replicated and summarized elsewhere in the administrative record. Additionally, the undersigned counsel has confirmed with the responsible discontinuance coordinator that all pleadings, notices, orders, briefs, and opinions filed

in this docket have been posted at both the Lake Creek Post Office and the Cooper Post Office as required under 39 CFR 3001.117.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
